Mary and Elizabeth both saw themselves as willing instruments in the hands of God. They both knew that even though they didn't fully understand the "how" or the "what" of God's activities He was at work in their lives. They were aware of the fact that throughout their lives He was advancing His purposes in our world. Do we know that? Do we ever ask ourselves those questions? Let me repeat them. "Where is God in all of this? What is God up to in these things that are happening to me? What is God doing with my life here on earth?"

SYNOD ON SODALITY

Pope Francis has launched the Synod on Synodality: a two-year global process of listening to the faithful that will help the Church reflect on how we can do God's will in the world today. The comments of the faithful will ultimately be discussed at a meeting of the bishops in the Vatican in 2023. To learn more about the Synod on Synodality and to share your thoughts, please visit: www.archtoronto.org/synodality.

At all times, but especially during busy seasons such as Advent, we are grateful for the many volunteers that keep the parish running smoothly. Thank you.

Together We Pray

For the children who died in residential schools throughout Canada and for all those who continue on a journey through the darkness, that there may be healing founded on truth and that the Spirit will inspire our ongoing commitment to reconciliation.

God, through the presence and power of the Holy Spirit, continue to offer us correction so that your grace might change and transform us in our weakness and repentance.

Give us humility to listen when others reveal how we have failed and courage to love others as ourselves, mindful of your love for the weakest and most vulnerable among us. Amen.

SOCIETY OF SAINT VINCENT DE PAUL

On behalf of everyone at the Christmas Giving Tree Program and St. Vincent de Paul Christmas Program, we would like to thank you for your incredible generosity. The money collected far exceeded our expectations and we are so very thankful for the kindness you showed through your donations. With the money raised, we were able to provide Upper Canada Mall or Walmart gift cards to over two hundred families, individuals and families living with physical and/or other challenges, and residents of local shelters. As well, residents of local long term care facilities received Christmas assistance to make their stays more comfortable. The Christmas season is a time for reaching out to those in need and your donations brightened up the season for the vulnerable in our community. We wish you all peace, happiness and above all, health for 2022.

STEWARDSHIP

LESSONS FROM OUR MOTHER

After Jesus, Mary is the perfect model and example of how to live a life of deep stewardship and we can learn a great deal by reflecting on her visitation. Firstly, we should imitate Mary's "haste" in her visitation so that whenever we see a need in our parish community, we can readily use our gifts to help. Secondly, just as Mary brought the Child Jesus with her in her womb, we too need to constantly remind ourselves that it is not our own merits that bring about good, but Christ dwelling within us. constantly remind ourselves that it is not our own merits that bring about good, but Christ dwelling within us.

RENOVATION PROJECTS

We are happy to report that our new boiler system is now up and running. The system will take a few weeks to stabilize and calibrate so you may find temperatures fluctuate from time to time. However, the church will be warmer than it has been for the last couple of weeks. Please consider bringing or wearing a heavier coat to mass for a couple more weeks just in case you find you need it.

In the process of starting our bell tower brick renewal project, we have found areas of deterioration that will need more investigation before we put new bricks in place. As a safety precaution, we will be installing scaffolding over the north exit doorway from the Church to the rear parking lot that will stay in place until all work is completed. Additional scaffolding will be installed around the tower to facilitate worker access to the areas to be looked at. We anticipate that the investigation will take about two months to complete and we will update you when we have new information to share.

Lastly, the order details for our new ovens in our Parish Hall should be in place early in the new year. There is a considerable lag time right now between ordering and delivery due to the strain on the supply chain from the pandemic. Look for an update on this project in early February.

All these projects will use the Family of Faith funds to complete. They are part of the infrastructure maintenance and renovations to the Parish Hall. The Parish Building Committee, Finance Council, the Pastor, and our Regional Bishop have been consulted, and they have approved these projects. Thank you again for your patience and understanding as we work through these very important projects. Dan Christante - Property Manager

Canadian Bishops, Assembly of First Nations, Métis National Council, and Inuit Tapiriit Kanatami Provide an Update on Delegation to Rome

December 7, 2021,

After careful assessment of the uncertainty and potential health risks surrounding international travel amid the recent spread of the Omicron variant, the Canadian Bishops, Assembly of First Nations, Métis National Council, and Inuit Tapiriit Kanatami have jointly decided to reschedule a delegation to the Vatican in December 2021 to the earliest opportunity in 2022.

The decision to postpone was a heartbreaking one, made after careful consultation with delegates, family members, community leaders, public health officials and the leadership of each of the three National Indigenous Organizations. Particularly for many elderly delegates as well as those who live in remote communities, the risk of infection and the fluid nature of the evolving global situation presents too great a threat at this time.

We take comfort in the desire, conveyed to us by the Holy See, that the safety of the delegation should inform any decision to move forward. It is also important to note that the delegation is postponed not cancelled.

Currently, the world's health experts are still learning about the transmissibility of the Omicron variant. As more information becomes available, we will continue to assess the feasibility of future travel plans, based on guidance from the Canadian government and relevant international authorities.

Our shared commitment to walking together towards healing and reconciliation remains strong. We understand that the Holy See is very much committed to rescheduling this visit in the new year and we look forward to the opportunity for Indigenous Elders, knowledge keepers, residential school survivors, and youth to participate in private meetings with Pope Francis

Canadian Bishops to Welcome Pope Francis to Canada on Historic Pilgrimage of Healing and Reconciliation

OTTAWA

October 27, 2021

The Catholic Bishops of Canada are grateful that Pope Francis has accepted their invitation to visit Canada on a pilgrimage of healing and reconciliation. The Holy Father's full statement:

"The Canadian Conference of Catholic Bishops has invited the Holy Father to make an apostolic journey to Canada, also in the context of the long-standing pastoral process of reconciliation with Indigenous peoples. His Holiness has indicated his willingness to visit the country on a date to be settled in due course."

In anticipation of this visit, the planned delegation of Indigenous survivors, Elders, knowledge keepers and youth will travel to the Holy See, where they will have the opportunity to speak to Pope Francis about the timing, focus, and themes in preparation for his future pilgrimage to Canada.

"The Bishops of Canada have been engaged in meaningful discussions with Indigenous Peoples, especially those affected by Residential Schools who have shared stories about the suffering and challenges that they continue to experience," said CCCB President, the Most Rev. Raymond Poisson. "We pray that Pope Francis' visit to Canada will be a significant milestone in the journey toward reconciliation and healing."

The Canadian Bishops recently pledged to work with the Holy See and Indigenous partners on the possibility of a pastoral visit to Canada by the Pope. Following this pledge and informed by three years of ongoing dialogue between the Canadian Bishops, the Holy See, and Indigenous Peoples, the President and former-President of the CCCB met in Rome with the Secretary of State of the Holy See to discuss next steps on the reconciliation journey earlier this month and in preparation for the delegation.

This delegation to the Holy See will take place from December 17-20, 2021, and is being planned in close collaboration with National Indigenous Organizations and other partners.

"We will invite the delegation of Indigenous survivors, Elders, knowledge keepers, and youth who will meet with Pope Francis to open their hearts to the Holy Father and share both their suffering as well as their hopes and desires for his eventual visit to Canada," added Bishop Poisson.

Additional details about Pope Francis' pilgrimage to Canada, as well as the Rome delegation will be announced by the CCCB as details are confirmed.

About the Canadian Conference of Catholic Bishops

The Canadian Conference of Catholic Bishops (CCCCB) is the national assembly of the Bishops of Canada. It was founded in 1943 and officially recognized by the Holy See in 1948.

Letter from Cardinal Thomas Collins

October 27, 2021

I am most grateful that Pope Francis has accepted the invitation of the Bishops of Canada for a pastoral visit to advance the healing and reconciliation journey with the Indigenous Peoples of this land.

I reiterate the unequivocal apology of the Canadian bishops from earlier this year as we sorrowfully acknowledged the historical and ongoing trauma and the legacy of suffering and challenges faced by Indigenous Peoples that continue to this day.

We affirm our commitment to walk with the

Indigenous people on the lengthy path of healing and dialogue. I pray that the visit of the Holy Father will provide a space for that journey to continue through authentic encounters of compassion, understanding and reconciliation.

To assist in establishing the foundation for his pilgrimage to Canada, later this year, from December 17-20, the Holy Father will welcome a delegation of Indigenous survivors, Elders, knowledge keepers and young people at the Vatican. Over the course of several days, through authentic listening and dialogue, Pope Francis will hear directly from those who have suffered.

I invite the faithful of the Archdiocese of Toronto to join me in prayer for all those who suffer from the legacy of the residential school system. We pray also for the delegates who will visit with the Holy Father in December. Finally, we keep Pope Francis close in prayer. May he be blessed with good health and strength to prepare him to join us at the appropriate moment to continue our journey of healing and reconciliation together.

Saint Kateri Tekakwitha, pray for us.
