What is the opposite of gratitude? It's taking things for granted. That's what the nine lepers did. How easily we grow accustomed to our blessings and forget to give thanks for them. It is said that the most important prayer is just two words: Thank you. Why is that? It's because gratitude is the easiest path that leads us to God. Jesus has already saved us. All of us. He set us free from the contagious and disfiguring leprosy of our sins and healed our brokenness — or certainly is willing to do so, especially through the sacrament of reconciliation. He wants to be found when we finally remember and decide to make our way to Him. And that's where we'll find Him. And when we find Him, it's simple. All we need to do is fall at His feet and thank Him.

**OFFICE CLOSED**

But the volunteers with the annual Giving Tree Program and the Society of St. Vincent de Paul Christmas Program are already thinking ahead and are getting things underway for Christmas. Stay tuned for more details in upcoming weeks.

### CULTIVATING A GENEROUS ATTITUDE

The one leper who returned and prostrated himself before Jesus shows us the true model of gratitude towards God and neighbour because it required his effort, time and humility. This Thanksgiving when thanking God, pray to intentionally thank Him for the abundant gifts He lavishes upon us.

### DONATING SECURITIES

One of the most financially sound ways to support the Archdiocese of Toronto is with the gift of securities (stocks, bonds, mutual funds). When you donate securities to a registered charity, you pay no capital gains tax and receive a tax receipt for the full amount of the gift. It means a great tax break for you and an increased support of various archdiocesan charities such as your parish, Share-Life, St. Augustine's Seminary, The Shepherds' Trust, Office for Refugees and many others. For further information, contact the Development Office at 416-934-3400 ext. 519/561 or email to [development@archtoronto.org](mailto:development@archtoronto.org).

## October: Rosary Month

The practice of dedicating the entire month of October each year, to the Most Holy Rosary developed toward the end of the last century. This is primarily due to the fact that the liturgical feast of Our Lady of the Rosary is celebrated annually on **October 7**. It was instituted to honor the Blessed Virgin Mary in gratitude for the protection she gives the Church in answer to the praying of the Rosary by the faithful. Pope Leo XIII (papacy: 1878-1903) strongly promoted the devotion to the Blessed Mother by encouraging the constant use of the Rosary. Please pray the Rosary this month.
